Inside the Department

Our Vision

is to become Virginia's premier County in bringing people together and enriching lives through recreation and community activities.

Our Mission

is to effectively deliver services by providing diverse and balanced recreation programs and facilities that incorporate the needs, interests and desires of our citizens. With citizens' support and involvement and interactive utilization of facility, community and natural resources we contribute to maintaining community character, enhancing community spirit, developing partnerships between private enterprises, civic organizations and individuals; hence, reaching out enhancing lives and contributing to the community livability.

Parks and Recreation Advisory Committee

The King George County Parks and Recreation Advisory Committee is appointed by the Board of Supervisors to represent the citizens of their corresponding districts. In addition, the Committee has two non-voting members representing NSWC and the students. Members advise staff on issues related to programs, planning and services; and aid in conceptualizing departmental facilities and operations. Members meet the third Thursday of every month beginning at 7:00pm at the Citizens Center. Your representatives are: Robert Benson, At-Large; Mike White, Chairman, James Monroe District; Stevie Gray, Dahlgren; Alice Stanton, NSWC; vacant, Shiloh District; and Elizabeth Clark, James Madison District.

King George County Public Facilities Tour

In addition to the facilities used for programs, the Parks and Recreation Department is directly responsible for the oversight of Wayside Park, Barnesfield Park, Wilmont Landing, Sealston Sports Complex and the Citizens Center.

Wayside Park is a 10 acre park site on the Potomac River located on Route 301 at the Harry G. Nice Memorial Bridge. Amenities include several picnic tables, two grills and approximately 100 yards of beach. Parking is limited on-site; however, there is additional parking located at the commuter parking lot adjoining the Welcome Center and at Barnesfield (a short 5 minute stroll).

Barnesfield Park is located on Route 301 approximately one mile south of the Harry G. Nice Memorial Bridge. This 150 acre park has 2 picnic shelters, 3 baseball/softball fields, 1 Little League size field, 2 multipurpose fields, outdoor basketball courts and fitness loop.

Wilmont Landing – this landing provides public boat access to the Rappahannock River. This site has very limited parking available. Wilmont Landing is located on Wilmont Road off of Rollins Fork Road (Rt. 681). To reach Rollins Fork Road; follow Rt 3 approximately 6 miles east of Rt 301 & 3 intersection.

Citizens Center – located at 8076 Kings Highway (across from The Shops at King George shopping center). Inside the Center is the Parks and Recreation office, a conference room, a banquet room and kitchen. Tuesday through Thursday mornings, the Rappahannock Area Agency on Aging offers a program for mature adults on one side of the banquet hall while the other side is used for a variety of recreational activities. Recreational programs are offered on-site all week long. When not in use for departmental activities, the Center may be rented for functions. Outside, there are sand volleyball courts, a playground and a couple of picnic tables.

Senior Navigator – A service for seniors, families of seniors and/or caregivers, providing information on senior services available in the county and throughout the region.

FUNd for Kids

Interested in making a difference in a child's life? Through the generosity of individuals and organizations; and in conferring with the schools, church leaders and Department of Social Services, many youth are afforded the opportunity to participate in activities that otherwise they may not be able to because of financial reasons. If you have an interest in helping give a child an opportunity to participate, please consider donating. Your support is greatly appreciated.

General Information

IMPORTANT General Program Information: Please Read.

The programs that are listed in this Program Guide are the programs that we had planned by the publication due date. Please check our website for additional programs or call the Department for any updated programs.

Due to facility uses, programs may be subject to changes in times and/or locations. Please verify with the Department upon registering. We attempt to notify you as early as possible with any program change. If we fail to reach you, please accept our apology for any inconvenience caused.

Please register for classes in advance. Waiting until the last minute may cause a class to cancel. Classes may be cancelled due to insufficient enrollment.

Unless otherwise noted or notified by an instructor/program supervisor, classes/programs may be held on holidays.

LATE REGISTRATION FEES: A \$10 late fee will be imposed on any program registrations coming in after the designated deadline. Any late registrations coming in beyond two weeks after the registration deadline will be assessed \$20 plus any additional cost associated with ordering equipment or supplies.

Inclement Weather Policy: At this time, the King George County Parks and Recreation Department follows the King George County Schools schedule for programs offered in the schools. Programs offered at other locations are dealt with on a case by case basis.

Insufficient Funds - Checks returned for insufficient funds will be assessed a \$35 fee by the Treasurer's Office and the check-writer's name will be forwarded to our Department. The Department will no longer be able to accept checks from said check-writer.

Refunds

Full refunds are issued in the event a program cancels; or if the Department is notified prior to the program starting and where no costs are incurred.

Where costs were incurred for deposits, apparel, equipment or any other program related expenses; those costs will be deducted from the refund.

No cash refunds will be given. Refunds generally take two to four weeks to receive due to accounts payable cycle.

Refunds are not issued after programs begin or for unattended classes.

Unusual circumstances will be handled on a case by case basis and may be subject to being credited for unused funds.

Cancellations/Postponements of Programs

Every once in a while we think we have a great program idea or an instructor has proposed a great program; but the enrollment is insufficient. Staff looks at postponing the program (time to be determined) to see if there is evidence that we think we can get the program to make through other means; and canceling as a last resort. When we cancel, we do our best to notify participants and issue a refund.

Program Evaluations

Program evaluations will be randomly given to participants or their parents. Evaluations are issued to gauge how programs are received, the instruction or coaching, an assessment on the registration process from the time you get registration form to making payment and our reflection on you, the facilities we use and your ideas on what we can do to better serve you whether it is in program offerings, staffing or department operations.

Movie-Goers

Come to the Parks and Recreation Department to get your discounted Regal Cinema Movie Tickets. We offer two types of tickets, the VIP Super Saver and Premier Super Saver. VIP Super Saver tickets are \$7.50 each and allow individuals to see a movie two weeks after being released. Premier Super Saver tickets cost \$8.50 each and have no restrictions.

HOOK A KID ON GOLF - GREEN LEVEL

Cameron Hills Golf Links in King George has been selected and has agreed to host a Hook a Kid on Golf Green Level Training Program. Hook a Kid on Golf is a national youth golf program located in approximately 250 communities nationwide. "We are excited about the opportunity to host this program", said Lorenzo Smith, local Hook a Kid on Golf Site Coordinator. "Most youngsters have unlimited opportunities to play sports such as baseball, basketball and football, only a select few get the opportunity to learn about golf."

The Green Level Training Program is a week long program aimed at developing golf skills, rules and etiquette through practical, on-course training. Youngsters will be taught the basics of course management and learn how to apply it to their team. To be eligible for participation, youngsters must be between the ages of 8 and 15; have had a previous introduction to the game; have their own golf clubs. For more information about the program please contact Lorenzo Smith at 775-4386. Location: Cameron Hills Golf Links. Registration Deadline: Wednesday, June 26th.

"HEROES WEEK" - SUMMER CAMP

Heroes come in all shapes and sizes, but all have the same mission – to protect those around them. During Heroes Week, our campers will form a league of heroes and compete against each other by performing engineering-related challenges. Each league will create a safe and eco-friendly soda can holder that will protect our wildlife, construct a bridge to safely allow cars to cross after a natural disaster, create effective packaging for fragile material, and design a wind turbine as an alternative source of energy. Registration Deadline: July 1st. Participants: Minimum 10, Maximum 20.

ELECTRONIC GAME DESIGN - PLATFORM & RACING GAMES SUMMER CAMP

Campers will use Multimedia Fusion 2® to create their own video game. In the Platform Game, the young game designers will create a side-scrolling, Mario-type game and program characters to move through a two-dimensional obstacle course. Their characters attempt to avoid or overcome enemies and reach an end goal on multiple levels. In the Raving Game, they will design a racetrack, race cars, and an environment in which their cars compete. Students will be given a copy of their games to take home with them and enjoy after camp is done! Registration Deadline: July 8th. Participants: Minimum 8, Maximum 10.

SUMMER ART EXPLORATION CAMP

Summer Art Exploration Camp brought to you by KGHS art teacher and KG native Lauren Horton. Parents are welcome to stay and get in on the fun! Students will have awesome artwork to take home throughout the week! Fee: \$50 and a \$10.00 supply fee/deposit to purchase materials prior to the camp and to reserve your spot. If scheduling conflicts arise (to accommodate family with siblings in different age groups) adjustments can be made on a case by case basis. Private art classes are available per request. For more information contact Lauren Horton at 540-220-6824. Location - KGHS Art Room.

Camp Themes:

ART AND NATURE

Walk on the wild side with art and nature! From Audubon to pet portraits of today, nature and art are intertwined. Students will see how nature exists in art through subject matter as well as the raw materials we use to make art. Themes of nature conservation advocacy through the arts, art history, and the scientific side of art will be addressed as appropriate to each age group. *Cross-curricular: Science (Nature Conservation, Botany, Zoology, Ecology), History Art History, Geography.
