(CRP)Caroline Recreation Park: 19127 County Park Drive, Milford, VA 22514 This is Caroline County. Follow US Route 301 south through Bowling Green (this turns into Rt. 207). Embrey Mill Park – 1600 Mine Road, Stafford, VA 22554

From King George, get on Route 3 (West) and continue down past the ramp to Culpeper. Keep going until you see a shopping center with a Food Lion. Turn right at the intersection at the bottom of the hill onto Cool Springs Road. There is a green sign that indicates this turn is at the next signal on Route 3. After .9 miles on Cool Springs Road, it turns into Deacon Road. Stay on this for about 1.4 miles until you get to a traffic signal that has a 7-Eleven. Turn left here onto Leeland Road. Stay on Leeland Road until you get to an elementary school at a traffic signal (about 1 mile). Make a left turn onto Primmer House Road. This road changes names a few times, but continue for about 1.5 miles, until you get to a Valero station that intersects with Route 1 North. Take a right turn onto Route 1. Stay on Route 1 for about 5.8 miles. Shortly before the next turn, the speed limit goes down to 35 mph. Make a left turn at Courthouse Road (Route 630) at the intersection. Then go for about 1.6 miles and turn right onto Mine Road. The park entrance is the first left through a median turn lane. Note that the soccer fields are at the opposite end of the parking lot. Keep driving straight down the lot paralleling Mine Road until you can get to a spot near the soccer fields. Please note that this is a new park, and some GPS devices may give wrong directions.
