ISSHINRYU KARATE

ISSHINRYU Karate is a traditional form of martial art from Okinawa (the birthplace of Karate). This program is designed for students who are interested in learning a martial art form the places emphasis on quality learning, leading to successful skill mastery, and personal safety. Our program focuses on building strength, balance, coordination and flexibility through Kata (forms), Kobudo (weapons) and their Bunkai (practice applications). This translates in a no nonsense form of efficient self defense techniques that have been proven highly effective. The study of IsshinRyu helps build character, self-esteem, self control, and self-confidence. The instructors Frank Harvey and two time Martial Arts Hall of Fame recipient Kevin Kline each have over a decade of teaching experience. They have trained with some of the world’s foremost experts. TAI CHI

Tai Chi is an optimal exercise for all ages. It involves movements of the entire body without the risk of injury. Done in coordination with one's concentration and breathing, these movements release tension through the body. The gently flowing progress of movements in tai chi cultivates whole-body health. A study by the Arthritis Foundation supports many benefits of tai chi, such as reduction of pain and inflammation, lowered blood pressure, improved immune function and improved balance and flexibility. This weekly tai chi exercise class will teach simple forms that are easy to learn, but challenging to master. Betty Doran and Linda Kline will lead the weekly sessions. ****\$25 for students that know the entire Health Form & \$50 for all others including new students; Drop-ins are \$5 per class****

The term "tattoo" derives from the cries of the 17th and 18th century Low Country innkeepers, who, as the fifes and drums of the local regiment signaled a return to quarters would cry, "Doe den tap toe!" – "Turn off the taps!" The sound of the "taps" caused the innkeeper's customers to depart and return to their barracks. The word "tattoo" evolved over time and refers to what developed as a ceremonial performance of military music by massed bands today.

Registration for Programs

Registering for a program is fairly easy. Unless otherwise noted, you may register for a program four ways: in person at the Citizens Center; sending registration form and payment by mail; by fax either using the form included in the program guide or one off the web-site; or online registration.

In person, come to the Citizens Center located at 8076 Kings Highway, fill out the registration form and make your payment by cash (**exact payment please**), money order or by check. Our business hours are Monday – Friday 8:00a.m – 5:00p.m. We have extended program registration hours Monday –Thursday 5:00p.m – 7:00p.m (payment by check or money order only).

By mail, send your completed registration form and payment to King George County Parks and Recreation, P.O. Box 71, King George, Virginia 22485. When sending by mail we encourage you to make a phone call two or three days after sending to make sure the Department received it.

Via fax if you are at a program deadline and followed up with a payment either by sending in the mail or coming in person to the office.

Online registration is available for those interested in making a payment by credit card. Currently, this is the only method participants may use with a credit card. Please note that there is a service charge when registering online.

Our on-line registration site is <http://kinggeorge.recdesk.com/recdeskportal>

Once you have registered, you will be given a receipt acknowledging your payment (exceptions include special events or walk-in programs where the instructor will collect the money for the class and forward it to our office). Please retain the receipt for your records.

Generally, we do not contact you about a program unless there is a change or cancellation. **Please mark the starting date on your calendar.** As a follow-up, you may want to call about a program you registered for just prior to the scheduled beginning date.

For team athletic programs, participant's parents should call the Recreation office if you have not heard from a coach or a Recreation office staff member within a reasonable amount of time. We are attempting to get all coaches to notify their players by a specified date. This date is announced or included in our promotional flyers. If you are unsure of the date, please do not hesitate to contact our office or check on the website.
